The NTS is sent to applicants via the contact preference indicated on the application form. **The NTS will be valid for a 6-month period. Be sure you can sit for all exam sections chosen within six months from the date you send in your application.** Upon receipt of the NTS, candidates are required to contact Prometric for site location(s) and test times. The Nevada State Board of Accountancy does not control space availability or locale of the testing centers. If a candidate needs to cancel an appointment you must do so by using one of the three methods:

- Use Prometric's Internet scheduling tool located at www.prometric.com/cpa . The system is available 24 hours a day, seven days a week.
- Call the Candidate Services Call Center at 1-800-580-9648. The center is open Monday – Friday from 8:00am to 8:00pm Eastern Time.
- Call the local test center where your appointment is scheduled. Leaving a voice mail message at the local test center is NOT an acceptable method of canceling your appointment.

An eligible candidate has 6 months from the date of the NTS to schedule and sit for the exam. If your NTS has expired you will be required to submit a re-exam application to the Nevada Board in order to obtain a new NTS.

EXAMINATION SCHEDULE AND SECTIONS

Continuous testing for CPA Exam candidates will begin July 1, 2020.

Applicants will be allowed to apply for one or more section(s) of the examination at a time. A candidate may now re-take any section of the examination upon receipt of a failing score. It is important to plan accordingly; it is your responsibility to schedule the remaining unpassed sections of the examination so you do not lose credit for previously passed sections. Please review the section titled "credit for subjects after the computerized examination".

NASBA is recommending scheduling appointments at least 45 days prior to the date in which you wish to sit for the examination(s). The Nevada State Board will process your application and forward the necessary information to NASBA within 5 business days of receiving your completed application and transcripts.

Candidates should plan to report to their assigned examination site one hour before the start of each scheduled session. Detailed instructions concerning scheduling to test will be included on the Notice To Schedule (NTS).
